## OBJECTIVE

Current boot camp student seeking opportunity in web development. Highly poised and dedicated with strong education and training in design principles and programming languages.

## EDUCATION

**Full Stack Web Developer Boot Camp | Georgia Institute of Technology**

JUN 2020 – PRESENT

4.0 GPA in a very challenging, fast-paced course.

**BBA Entrepreneurship | Kennesaw State University**

AUG 2013 – MAY 2018

Studied venture funding, business law, real estate investment, and finance.

## EXPERIENCE

**Agent Team Member | Gary Motley, State Farm Agent**

JUL 2019 – PRESENT

Improve customer satisfaction by finding creative solutions to problems; skillfully and patiently explain coverage options to prospective and current policyholders; analyze customer needs and provide best options, upselling products and services; cultivated professional relations to establish long-term, profitable partnerships.

**Agent Team Member | Don Johnson, State Farm Agent**

MAR 2017 – JUL 2020

Same responsibilities as current job. Left position due to the agent retiring.

## SKILLS

- Javascript & jQuery
- HTML & CSS
- Customer service
- Cross-functional teamwork
- Git and Github flow development

## ACTIVITIES

I have been a classical pianist for 8 years. Much like web development, it takes a tremendous amount of diligence and creativity to get to a point where it is enjoyable. I have spent months perfecting five minute pieces. The result of all the hard work is always so rewarding. My other hobbies are motorcycling and photography.
